“It's almost too good to be true. (...) It's complex and interesting, with apple fruit and tangy, savory notes, and enough acid to keep it refreshing. I wanted to take it home to spend the evening with.”

“Light yellow. Ripe peach and melon on the nose, with a hint of candied fig emerging slowly. Round and open-knit, offering subtly sweet orchard and pit fruit flavors along with some warmth on the back half. The melon note repeats on the persistent finish.” —*J.R.*
