## *The Arborist*

“Deep violet. Pungent, smoke- and spice- accented dark berries, cherry and licorice on the perfumed nose. Sweet cassis and blueberry flavors take on a floral aspect as the wine opens up. Rich yet lively in style, finishing long and smoky, with repeating dark fruit character and a touch of salty olive paste. This wine is really showing its Syrah component, and it delivers solid value for Paso Robles.” - *Josh Reynolds*
