Mountain Road Reserve

2013 ♦ CABERNET SAUVIGNON ♦ PASO ROBLES

The fruit for the Mountain Road Reserve grows on Adelaida Springs Ranch, located at 1,700 feet elevation only 12 miles inland from the Pacific Coast. Situated in the rugged coastal mountains west of Paso Robles, this prime vineyard site features rocky calcareous soils and southwestern exposures that lend themselves to producing stunning wines. It is here that the grapes for our award-winning Meritage, Suendero, are grown.

This special selection focuses on very small limited-production Cabernet Sauvignon lots. To achieve a balanced style with a rich character and refined mouthfeel, the wine was aged for 32 months in new French oak barrels before bottling unfiltered and unfiltered.

This structured wine features flavors of juicy cassis with notes of vanillin, graphite and anise. Layered tannins and good underlying acidity give it the capability for further development of character and finesse with proper cellar aging.
