

2009 WHITE⁴ – HUERHUERO

The Power of 4 – this wine is an estate blend combining grapes from our prestigious Huerhuero and Jardine Vineyards located in the rolling hills of Paso Robles, where warm afternoons and cool evening breezes guide the grapes to perfect ripeness. The varietals used in this blend are very unique to Paso Robles and California's Central Coast. Intended as a trial, we discovered that both the Vermentino and Verdelho have responded extremely well to the terrior of our Huerhuero Vineyard.

The Vermentino was fermented 70% in stainless steel and 30% in oak puncheons. The Verdelho was 100% stainless steel fermented and aged for 6 months on its lees. Lees stirring took place twice a week for several months. The Viognier was fermented in neutral French oak to gain more complexity and richness. A small percentage of Sauvignon Blanc was added for balance. The result is a blend that is more delicious than the sum of its parts, a compelling wine.
