

Vina  Robles

2001

**PETITE SIRAH
JARDINE VINEYARD
PASO ROBLES**

Petite Sirah flourishes in the warmth of Paso Robles. This dark, teeth staining wine is more aromatic than most with a beguiling nose of red plums, blueberries and toasty oak. Rich and forward on the palate, it is also big and rounded with fine but firm tannins contributing to the overall balance you will enjoy in this wine.
